

izzy Nemo Trellis environmental product summary

As the economic, environmental, and social conditions in our communities and around the world are changing – and ever more challenging – izzy+ is evolving to reflect those changes. Part of that evolution is a deeper understanding of what it means to be “sustainable” and a commitment to integrating the social, environmental and economic aspects of sustainability into our policies, our practices, our designs, and our culture. To ensure success and transparency, izzy+ will enlist the collaboration of its stakeholders in tracking our commitment, contributing to strategy and implementation, and communicating to each other and the larger community.

Wood	35.3%	45.6%	42.2%	44.2%
Other	0.2%	0.2%	0.2%	0.2%
Weight Total (lb)	205.4	343.6	729.8	695.9

- Non-PVC (ABS) edge band.
- California Airborne Toxic Control Measure (ATCM 93120) Compliant.

Recycling

To prepare this product for recycling, refer to our disassembly instructions found at izzyplus.com/environment. Full instructions and tools for disassembly and the material identifications are listed in that document.

Warranty

Nemo Trellis is backed by our limited lifetime warranty and has been designed with durability in mind to ensure it has a long and useful life. The following are a list of exceptions: functional parts are warranted for ten (10) years; and the upholstery material is warranted for three (3) years.
