Who is MHEC?

The Massachusetts Higher Education Consortium (MHEC) is the premier source for regionalized New England group purchasing in the United States. The group strives to be the consortium of choice for members by providing multi-vendor contracts that are the best in the industry in terms of cost avoidance, product and service depth, vendor quality, choice and terms; and by being an active catalyst for local and regional small business participation.

The MHEC was established by Massachusetts law (Chapter 15A, 24A) in 1977 to provide efficiencies in the public college and university procurement process and negotiate competitive prices by aggregating purchasing volume. Current members include pre-eminent colleges and universities in Vermont, Maine, New Hampshire, Rhode Island, Connecticut and Massachusetts.
