

Custom Request Form

Request Date: _____ Requester: _____

icare Rep: _____ Sales Rep: _____

Dealer: _____ End-user: _____

Project Name: _____ Project Scope: _____

Date Custom Quote Needed: _____

A signed Custom Product Quotation must be submitted with the purchase order. If quantities or specification details change after the Custom Quote is generated, a new Custom Request will need to be submitted. Quotes are valid for 60 days. Please note that order verification and lead time will be extended for any custom products. Custom quotes that require a drawing will require a client signature before release for production.

Each custom must exceed a value of \$20,000 list price (of comparable standard product) or be a quantity of 10 units or more.
